

Fall 2011

2011 Lawn Care Treatment Schedule

Below is Sunset Ridge School District 29's application schedule for weed, grub, and bird control treatment, which starts on March 28, 2011.

This schedule is published on the School District's Web Site and in the PTO Bulletin.

In addition, parents/community members may request in writing that School District 29 notify them prior to any applications of lawn treatment if the above method of notification is not suitable or available. Send your request to:

Sunset Ridge School District 29
Attention: Mike Arnold
525 Sunset Ridge Road
Northfield, IL. 60093

Include your name, address, and telephone number or e-mail address with your written request.
